UNUSUAL SHARE PRICE AND VOLUME MOVEMENT

This announcement is made at the request of The Stock Exchange of Hong Kong Limited (the “Stock Exchange”).

The board of directors (the “Board”) of C.P. Pokphand Co. Ltd. (the “Company”) has noted the increase in the traded prices and traded volume of the shares of the Company on 27 November 2009 and wishes to state that the Board is not aware of any reasons for such movements save as disclosed below.

Reference is made to the announcement of the Company dated 3 November 2009 in which the Board stated that the Company had terminated preliminary discussions with its controlling shareholders in regard to a possible acquisition of a controlling interest in a group of companies which operated substantially all of the independent feedmills owned by the controlling shareholders in China and Vietnam. Such preliminary discussions had been the subject of earlier announcements of the Company dated 26 August and 13 October 2009.

The Company has recently re-commenced discussion with its controlling shareholders in regard to the possible acquisition of their interests in substantially all of the independent feedmill operations controlled by the controlling shareholders in China (but not Vietnam). If this proposed acquisition proceeds, the acquisition price will be determined, as disclosed in the Company’s earlier announcement dated 26 August 2009, on an arm’s length basis and is expected to represent a price/earnings multiple of between 8 and 12, and the total consideration is expected to be satisfied by the Company by the issuance of new shares or other securities convertible into new shares of the Company at an issue or conversion price which will be determined by reference to both the audited net asset value per share of the Company as at 31 December 2008 and the recent market prices of the shares of the Company prior to the date of this announcement. If these renewed discussions can be concluded and a definitive agreement can be signed, the proposed acquisition is expected to amount to a very substantial acquisition and a connected transaction of the Company for the purposes of the Rules Governing the Listing of Securities on the Stock Exchange (the “Listing Rules”). However, the discussions are ongoing, the parties have not entered into any definitive agreement and the proposed acquisition may or may not proceed. **Shareholders of and potential investors in the Company should exercise caution when dealing in the shares of the Company.** Further announcement will be made by the Company as and when required in accordance with the Listing Rules.

Save as disclosed above, the Board confirms that there are no negotiations or agreements relating to intended acquisitions or realizations which are discloseable under rule 13.23 of the Listing Rules, neither is the Board aware of any matter discloseable under the general obligation imposed by Rule 13.09 of the Listing Rules, which is or may be of a price-sensitive nature.

Made by the order of the Board, the directors of which individually and jointly accept responsibility for the accuracy of this announcement.
